Journeyman is an order of magnitude better than Apprentice and is only available to people who pay for Everquest.. The best option at the moment would be to sub and start a character on Phingel, or if you want to avoid a sub start a character on Firiona Vie (RP server) Both have very large and active communities.

In every single thread (at least it feels that way) someone always uses the argument 'well EverQuest did it that way so should Pantheon' as to why their idea is better than the others.. And the players will help you out if they know your a true newb Steam has its issues, its a launcher within a launcher and both can crash.. We are looking into how to get them live This includes the Armor upgrade combines, and the fish scales (and most combines for Ring of Scale) UPDATE: Fixed in the December 14, 2017 patch.
